

Glory

Written by Kimberley Moodley

Verse

I arise, make Your face shine on me
Let the light of Your glory rise on me

Pre Chorus

Fill this house, fill this temple
Fill Your church, with Your glory

Chorus

The brightness of You, the everlasting light
Never fades on us, never fades on us
The fire from You, the everlasting flame
Falls upon us, falls upon us

Bridge

Lord we need Your light, The light of Your word
We need Your grace to consume Your word
I fall on my face, for You are Lord
