

I Give From You

Written by Kimberley Moodley

Verse

I bring an offering
One that Your face is seen in
One that exalts You
and lifts Your name on high
I give out of You
Not by my own strength
But through Your grace Lord
You enable me

Pre Chorus

And the greatest giver a man can know
gave His life for us to show
that mercy saved us by His blood

Chorus

Now I am free
I live in Him
The greatest covering shadows over me
Jesus You reign
You are the Lord over my life
and over this offering
I give from You
