

Rest For My Soul

Written by Kimberley Moodley

Verse

Come to me
All who are weary and overwhelmed
Take My yoke
On your shoulders and learn it well

Pre Chorus

Gentle and lowly in heart, Christ Jesus God's only Son
You made it easy, You did it for me

Chorus

Here I find rest for my soul
Here I find peace for my soul
Light is Your burden upon me
Here I find rest

Bridge

Here I stand unshakeable
on holy ground, my heart is still
I won't be moved
