

One by You

Written by Kimberley Moodley & Jerome Samuel

Verse 1

We stand hand to hand
Feet to feet
On the mercy seat
And as our eyes meet
We feel your presence
We're in your presence Lord

Chorus

With ready feet and humble speech
We're here to praise you
Exalt your name and lift you up
Behold your glory

Verse 2

We stand face to face
One in you
One by you alone
And as our hearts meet
We feel your presence
We're in your presence Lord

Bridge

You are good
And your love endures forever
